Asianda® 43inch Indoor Double Screens Hanging LCD Display--Android Version
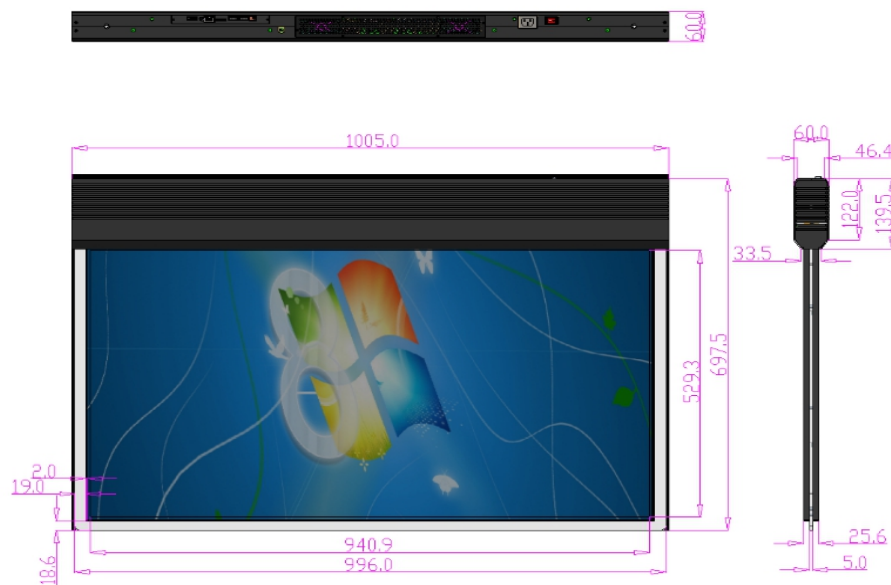

Product Characteristics
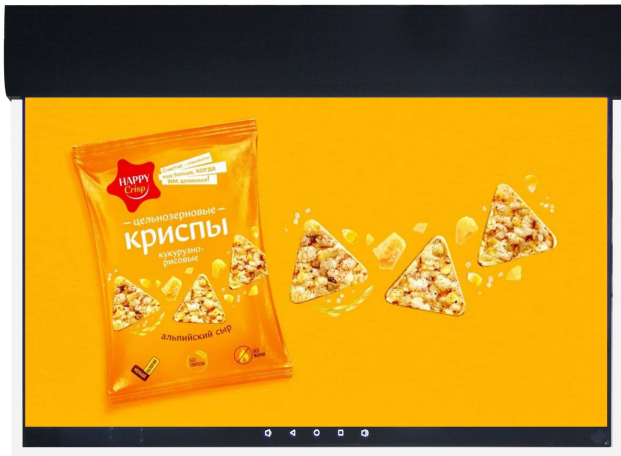

Application	
Drawing	
1	3d digital filter noise reduction, line-by-line scanning, the screen is true and delicate
2	Smart screen protection function, prevent Burns

3	Various high definition signal interface, strong compatibility	
4	Intelligent backlight brightness control, improve the visual effect of image, save energy and save electricity	
5	The intelligent temperature control cooling / heating system ensures the machine to work stably in the best environment.	
Display Screen		
6	LCD Screen	43 Inch TFT
7	Brightness	700/300cd/m2
8	Display Area	940×529mm
9	Resolution	1920*1080P
10	Screen Ratio	16:9
11	View angle	178°(H)/178°(V)
12	Contrast ratio	1200:1
13	Response time	6ms
14	Lifespan	50000~60000h
15	Backlight	LED backlight
Motherboard Scheme		
16	Motherboard	RK3288 quad-core, 2.0
17	Memory	RAM: 2G; ROM: 8G
18	OS	Android 7.1
19	WiFi	Yes, (802.11b/g/n） 4G module
Android Interface		POWER　DC 12V　AUDIO　USB　OTG　USB　TF/SIM　RJ45　UBOOT
Accessories		Manual, remote control, warranty card, certificate of conformity, Power Cord
Electronic Control		
20	Timer	Can Be set by day, week, month custom switch machine
21	Leakage Protector	When the leakage current is greater than 30MA, the circuit should be disconnected to protect the human body

22	Lightning arrester	Self-check outdoor lightning strike 40kA surge current, play a 3-level lightning protection effect, to protect the safety of equipment
23	Switching power supply	Using industrial-grade power supply, 365 days stable throughout the year, continuous voltage output
24	Waterproof Horn	Waterproof high quality 10W speaker, sound quality lifelike, Sound Sense Stereo

Product structure		
25	Product architecture	1.5 mm galvanized sheet, sprayed Aksu outdoor powder, outdoor anti-corrosion for more than 7 years
26	Dust proof design	The shell structure design waterproof trough and in and out the wind hole waterproof labyrinth, meets the IP55 protection grade
27	Anti-theft design	The Base / Hanger is designed with an internal lock to prevent the machine from being moved by removing screws from the outside, which is really safe against theft
28	Waterproof design	The air inlet and outlet are designed with special dust-proof filter (medium and high efficiency dust-proof filter) to filter the fine dust in the air and prevent mosquitoes and insects from entering the machine
29	Installation mode	Hanging type
30	Protective Glass	6 mm high transmittance toughened glass or AR anti-glare toughened glass, light transmittance ≥97% , high transmittance

Operating parameter		
31	Working Environment	Working Temperature: -20°C to + 55 °C working humidity: 5% to 90%
32	Power supply	AC110~240V 60HZ

Playback system	
33	Each playing area can be arranged and layered freely, and can be played on horizontal and vertical screens
34	Screen Area Free Segmentation, composable picture, audio, video, web page, clock, date, caption, mixed material editing
35	Support Program and broadcast table preview, real-time monitoring playback screen, multi-stage timing switch settings, automatic reset
36	Different users can set different permissions
37	Adopt distributed management, support remote or local control
38	Support android phone or tablet terminal to play a list of programs, remote monitoring, timing switch function

39	Screen brightness can be adjusted automatically according to the surrounding environment
40	Screen brightness can be adjusted automatically according to the surrounding environment
41	Supports a variety of general audio / Video, and office documents
42	Support cable, Wifi, 4G network
